

7-Day Social Media Content Calendar

Platform: Instagram & LinkedIn | Objective: Brand Visibility, Engagement & Lead Generation

Weekly Strategy Overview

This 7-day content calendar is designed to build CodeAlpha's brand presence across Instagram and LinkedIn. Each day targets a specific marketing objective — from brand awareness to direct application CTAs — using a variety of formats including carousels, reels, polls, and stories.

Day 1 — Monday

Theme: Brand Intro

Platform	Instagram + LinkedIn
Format	Carousel
Post Idea	"Who is CodeAlpha?" — 5-slide carousel introducing the company, mission, programs and team culture.
Caption	■ Meet CodeAlpha — where students transform into tech professionals! We offer hands-on internships, coding training & real-world projects. Your journey starts here. ■

Day 3 — Wednesday

Theme: Student Success Story

Platform	Instagram + LinkedIn
Format	Quote Graphic / Short Reel

Post Idea	Alumni spotlight: student photo + testimonial quote graphic. Share their journey from zero coding experience to landing a job or completing a real project.
Caption	<i>"CodeAlpha changed my career path completely." ■ Meet [Name], who went from zero coding experience to building full-stack apps in 4 months. Real stories. Real results.</i>
Hashtags	#SuccessStory #CodeAlpha #TechCareer #AlumniSpotlight

Day 4 — Thursday		Theme: Educational Value
Platform	Instagram	
Format	Reel (30–45 sec)	
Post Idea	Quick-tip reel: '3 coding tips every beginner must know.' Fast-paced, text-on-screen format with upbeat background music.	
Caption	■ 3 coding tips nobody told you as a beginner (save this!) ■ 1■■ Read error messages — they guide you! 2■■ Build projects, not just tutorials 3■■ Consistency > Intensity Follow @CodeAlpha for daily tech wisdom! ■	
Hashtags	#CodingTips #LearnProgramming #CodeAlpha #BeginnerCoder	

Day 5 — Friday		Theme: Engagement / Poll
Platform	Instagram Stories + LinkedIn Poll	
Format	Interactive Poll	
Post Idea	Poll question: 'What's your current coding skill level?' with 4 options: Complete Beginner / Know the basics / Intermediate / Advanced. Engage followers and collect audience data.	
Caption	<i>We want to know YOU! ■ What best describes your coding journey right now? Vote below & let's see where our community stands! ■</i>	
Hashtags	#Poll #CodingJourney #Tech #Community #CodeAlpha	

Day 6 — Saturday		Theme: Behind the Scenes
Platform	Instagram + LinkedIn	
Format	Short Video / Photo Collage	
Post Idea	BTS content from a CodeAlpha mentoring session, project demo day or team meeting. Show the human side of the brand — candid, authentic, energetic.	

Caption	<i>Behind the scenes at CodeAlpha ■ — this is what a real internship looks like. Collaboration, mentorship, and code. Lots of code. ■ Want in? Link in bio!</i>

General Notes

- Post at peak times: Instagram — 6–8 PM local time; LinkedIn — 8–10 AM on weekdays.
- Use Canva templates matching CodeAlpha's brand palette (blue, white, dark navy) for all graphics.
- Reels and short-form video consistently outperform static posts — prioritise Days 4 & 6.
- Repurpose LinkedIn posts as Instagram carousels to maximise content ROI.
- Track weekly KPIs: reach, saves, shares, profile visits and application link clicks.
